# Fees

---

## Daily activity levies

Aspect charges an activity levy of \$2.00 per day to cover the Programs of Support's running costs, including facilitators and resources. You are only charged the activity levy fee on the days you attend ACS.

The daily activity levy may be subject to change. If this happens, an ACS team member will contact you to confirm the new amounts prior to the start of a new semester.

## Additional fees: NDIS and 'fees for service'

In addition to the daily activity levies, some activities have an additional cost outlined on the weekly schedule.

- Some activities may be funded through your NDIS Plan.

These costs include entrance to aquatics centres, gyms or bowling centres, as well as access to facilitator-run programs, such as art therapy and music therapy.

If these items are included in your NDIS plan, you have the choice to pay these through NDIS, or you may wish to pay for them yourself.

- Some activities are not eligible to be charged to your NDIS plan.

These are called 'fees for service', and cover items such as grocery costs for the cooking programs, and café and restaurant costs. These are invoiced before the start of a Program of Support.

If you have any questions regarding the fees, please contact Aspect ACS Team Leader.
