

Help improve eye care for Autistic people in Australia and New Zealand

Are you an Autistic adult OR a parent of an
Autistic person (any age)?

Do you live in Australia OR New Zealand?

We need your help! Participate in our research
study to improve eye care services for the
Autistic community.

What will you do?

Complete an online survey(20–30 minutes).

Benefits

- Help develop autism-friendly eye care practices.
- Choose one of three Australian charities for a \$2 (AUD) donation on your behalf upon survey completion.
