

Help improve eye care for Autistic people

Do you currently work as an eye care professional? (e.g. Optometrist, Ophthalmologist, Eye Clinic Nurse)

We need your help! Participate in our research study to improve eye care services for the Autistic community.

You can be practising in any country.

What will you do?

Complete an online survey (15–30 minutes).

Benefits

- Help develop autism-friendly eye care practices.
- Choose one of three Australian charities for a \$2 (AUD) donation on your behalf upon survey completion.

Complete the survey
